**Summer Session 1, 2017**

*There are two parts to the second midterm examination (July 24). The first part consists of 30 true/false questions that you answer on a Scantron (A = True; B = False). Please use a pencil for that part of the examination, being sure to fill out your identification in full on the sheet (Name and ID number, number printed and bubbles blackened in for your ID number). The second part of the examination consists of an essay question. Be sure to select one and only one question. Please answer the question in an examination booklet (blue book) ideally using pen.*

*The Essay Questions are drawn from the Lectures (although you can draw upon the reading as well in answering the question you select). Please review your notes and the postings for Sections III (Slave Trade) and IV (The Enlightenment, the American Revolution, and the Constitution) in preparing for this portion of the examination.*
